ENGLISH

Dear Children,

Summer holiday homework is to keep you active, both mentally and physically. Enjoy doing the homework assigned. All the work should be done on sheets of paper and put up together to make a portfolio. Decorate your portfolio and bring it to school on the first day after the vacation. "Have a nice vacation".

1. Make an advertisement or a movie you wish to produce. You have to work on sheets of paper and add to your portfolio.

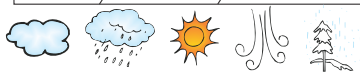

- Design graphics
- Do copy writing
- Write the name of the producer
- Write the name of the film
- Write the main philosophy behind the movie in one line
- Write the names of the stars you wish to cast in the movie

2. Pick up an incident from history and write about it as if you are witnessing it.

Please keep in mind the following:

- The incident should be described in the present tense.
- The incident should be lively and interesting.
- The incident can be any episode of history, for example, the Mutiny of 1857.

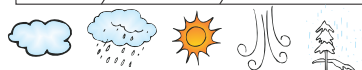

Note: Work in your English language notebook.

HINDI

१. अपने देश की प्राचीन की चिकित्सा पद्धति के विषय में जानकारी प्राप्त कीजिए और १५० शब्दों में विषय को व्यक्त कीजिए।
२. कल्पना कीजिए आपने एक भोज्य पर्व का आनन्द उठाया। अपने मित्र को पत्र लिखकर वर्णन कीजिए कि आपने वहाँ कितने भोज्य पदार्थों का आनन्द लिया और वह पर्व कैसा था।

Date	Month	Year
------	-------	------

MATHS

1. Formulate a table to write the daily temperature of the day (maximum and minimum) from 15th May to 25th May in your Maths notebook.
 - a. Find the average maximum temperature.
 - b. Find the average minimum temperature.
 - c. Find the difference between the temperature of the first day and the last day.
 - d. Find the difference between the maximum average temperature and the minimum average temperature.
2. Write the height and weight of all your family members. Calculate the average height and average weight of the members of your family.

relation	height	weight
mother		
father		
brother I		
sister I		
other		
other		
yourself		
average height		
average weight		

- [illegible]

7. A shopping mall is offering festival discounts. Write the price to be paid after discounts on the following items:

MRP: ₹ 699
(15% off)

=

MRP: ₹ 855
(25% off)

=

MRP: ₹ 499
(35% off)

=

MRP: ₹ 2200
(15% off)

=

SCIENCE

1. Make a project of 8 - 10 sheets on any one the monuments listed below. Discuss the scientific aspect of the monument" based on the following guidelines:

- presentation
- material used
- shape
- structure
- architecture
- garden herbal garden

Red Fort: Humayun Tomb;
Hawa Mahal;
Victoria Memorial

Taj Mahal;
Char Minar;

Amer Fort;
Mysore Palace;

Social Studies

1. Shortlist any five famous women personalities from various fields such as politics, film industry, education, social service (NGO), police force, etc. Collect information and make a report on their lives and achievements. Collect their pictures and prepare a picture gallery in your scrapbook.
2. Write about the source of the Indian Constitution. Write in detail the features of the Indian Constitution in your Social Studies notebook.

Geography

Assignment:

Collect the used polythene bags of all sizes, wherever available, throughout your summer vacation and promote the use of paper bags as well as cloth bags instead of polythene bags to save the environment.

List at least 15 reasons why we should discourage the use of polythene bags on a sheet of paper and add to your portfolio.

ART and CRAFT- fun work

(1) Home Sweet Home Photo Gallery

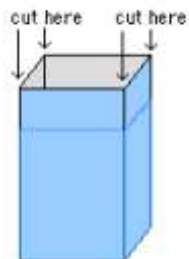

Materials required:

- Shoe-box or one box of similar shape and size
- Construction paper
- Scissors
- Fevicol
- Coins or modeling clay
- Tape
- Photographs of all family members
- Fine-tip permanent marker

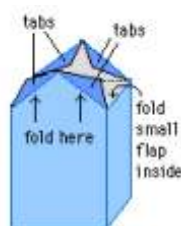

Procedure:

1. The top of the box (with flaps intact) will be the top of the house.
Decide what colour you would like your house to be and cover the outside with construction paper. Leave three extra inches of construction paper at the top all the way around where the flaps are present.
2. Cut slits in the construction paper at the top corners, so that the paper can fold like the flaps can. Glue the construction paper to the flaps.

3. Trim the pictures into rectangular windows or you may decide to cut carefully around the person's picture (sort of a paper doll) and glue that to a rectangular piece of white paper to make a window.
4. Decorate the house, placing the windows and a door. You can also include your family name, a message and the year.
5. Put coins or the modeling clay at the bottom of the box to give the project some weight and prevent it from falling over.
6. Fold corners of the big flaps at the top of the box inwards to make an upside down "V". Fold the corners inward, but leave them sitting like tabs, so that you can glue the roof. Fold the small flaps down inside the box.

7. Decide what colour you would like your roof to be and cut the construction paper to cover it. Glue it on and then add any other details you would like your house to have, i.e., window boxes, shutters, flowers, ivy or anything else you like.

(2) Candle Holder

Materials required:

- Small glass jar
- Glitter glue of different colours
- Oval jewels (flat on back side)
- Fevicol
- Glitter
- Ribbon (optional)

Procedure:

1. Put a puddle of glitter glue on the glass jar. Push a jewel into the puddle.
2. Repeat using different colours of glitter glue to attach jewels.
3. Let them dry.
4. Using a paintbrush, brush glue to cover the jar sides from right below the jar threads and around the jewels.
5. Sprinkle with glitter. Let them dry.
6. Tie ribbon around the jar threads if desired.
7. Insert a candle.

(3) Construction Paper Flowers

Materials required:

- Construction paper (of various colours)
- Cotton balls (medium or large and of various colours)
- Plastic straws
- Fevicol
- Scissors

Procedure:

1. Draw flowers on the construction paper.
2. Cut into the centre of the flower from the side of one of the petals and then cut a small circle out of the middle.
3. Overlap the two petals between the cut line and glue together.
4. Put some glue on the cotton ball and place in into the centre of the flower.

5. Carefully turn the flower over and glue the straw to the back end of the cotton ball.
6. Place the flower upside down and lean it against something to allow the glue to dry completely.

(4) Plastic Bottle May Basket

Materials required:

- 20 ounce or 1/2 litre plastic bottle
- Craft knife
- Hole punch
- Narrow ribbon (optional)
- Real flowers or handmade flowers

Procedure:

1. Cut the bottle with the craft knife about 4" from the bottom. Discard the top of the bottle.
2. Punch holes on two sides directly across each other.
3. Insert one end of the ribbon from the outside to the inside. Bring it up and tie a knot.
4. Repeat for the other end of the ribbon.
5. If desired, punch holes around the top of the bottle. Weave a ribbon in and out through the openings.

Certificate Of Appreciation

I am proud that my son / daughter _____,

a student of _____ has completed

his/her holiday homework. For this he / she deserves heartfelt
appreciation.

GOD BLESS!
