

GRADE: 3

TODAY
is the day to
learn something
NEW

learning is
NOT
a spectator
sport.
so let's
PLAY!

FROM PRINCIPAL DESK

“Education the mind without educating the heart is no education at all.” -Aristotle

Greetings Parents!

At Nurture, we constantly endeavor to install values and qualities in our children and help them grow into responsible citizens of the future. We aim at unleashing the innate potential and talents in every child which enable them to explore and express their thoughts freely. Nurture, class newsletter the quarterly reflects our sincere efforts to hone abilities by pushing boundaries of learning with positive attitude.

With sincere and warm regards
Dr. Deepti Chaturvedi
Principal, NISB

CLASS NEWSLETTER

Grade 3

EVS

1. Weather chart

Charts were prepared by the student to describe weather conditions. Students' involvement in individual activity infuses in their originality, self-confidence & self-reliance.

Activities

2. Rainy season chart

The activity not only provided a platform for the students to foster their creativity and decision-making skills but also helped them explore their hidden talents and discover new areas of interest.

3. Show and tell

It was an interesting and a thrilling experience for the students sharing their experience during summer season with peer which provided fun and comfortable learning arena for everyone involved.

They were excited to share their descriptive narration and waited eagerly for their turn to show and tell. Thus, this activity helped students to build their social, emotional and language skills.

ಕಥೆಯನ್ನು ಕಟ್ಟಿ ಹೇಳುವುದರಿಂದ ಆಗುವ ಪ್ರಯೋಜನಗಳು:

ಸನ್ನಿವೇಶಗಳನ್ನು ಕಲ್ಪಿಸಿಕೊಂಡು ಕತೆಗಳನ್ನು ವಿಸ್ತರಿಸಿ, ಮಾರ್ಪಡಿಸಿ ಸಂತೋಷ ಪಡಬೇಕು. ಕಲ್ಪನೆಗಳನ್ನು ಮಾಡಿಕೊಳ್ಳುವುದರಿಂದ ಮಕ್ಕಳ ಮನಸ್ಸು ವಿಕಾಸಗೊಳ್ಳುತ್ತದೆ. ಕಥೆಗಳ ಮೂಲಕ ಮಕ್ಕಳ ಭಾಷೆಯೂ ಶುದ್ಧವಾಗುತ್ತದೆ ಮತ್ತು ಮಕ್ಕಳು ಭಾಷೆಯ ಮೇಲೆ ಒಳ್ಳೆಯ ಹಿಡಿತವನ್ನೂ ಸಾಧಿಸುತ್ತಾರೆ.

ಕಥೆಗಳನ್ನು ಹೊರನೋಟಕ್ಕೆ ಕಾಣುವಂತೆ ಮಾತ್ರ ಗ್ರಹಿಸಿದರೆ ಸಾಲದು ಅವುಗಳ ಹೊರಣವನ್ನು ಅಂದರೆ ಒಳಸತ್ಯವನ್ನು ಅರ್ಥಮಾಡಿ ಕೊಳ್ಳಬೇಕು. ಜೊತೆಗೆ ಕೇಳಿದ ಕಥೆಯನ್ನು ವಿಸ್ತರಿಸುವ ಹಾಗೂ ಅಂಥವೇ ಕಥೆಗಳನ್ನು ಕಟ್ಟುವ ಕಲ್ಪನಾಶಕ್ತಿಯನ್ನು ಬೆಳೆಸಿಕೊಳ್ಳಬೇಕು.

ಕನ್ನಡ ಚಟುವಟಿಕೆ:

ಕಥೆಗಳ ರಚನೆ

ಕಥೆಯನ್ನು ಕಟ್ಟಿ ಹೇಳುವುದು ಸಂಪ್ರದಾಯಿಕ ಕಲೆ. ನಮ್ಮ ಹಿರಿಯರು ಕಲಿತು ತಮ್ಮ ಮುಂದಿನ ಪೀಳಿಗೆಗೆ ಉಡುಗೊರೆಯಾಗಿ ಕೊಟ್ಟಿದ್ದಾರೆ. ಇದಕ್ಕೆ ಉತ್ತಮ ಉದಾಹರಣೆಯೆಂದರೆ ರಾಮಾಯಣ, ಮಹಾಭಾರತ, ನೀತಿ ಕಥೆಗಳು, ಪಂಚತಂತ್ರ ಕಥೆಗಳು ಇತ್ಯಾದಿ.

ಮೂರನೇ ತರಗತಿಯ ಮಕ್ಕಳಿಗೆ ಕನ್ನಡ ತರಗತಿಯಲ್ಲಿ ಸ್ವಂತ ಕಥೆಗಳನ್ನು ರಚಿಸಿ ಹೇಳುವ ಚಟುವಟಿಕೆಯನ್ನು ಮಾಡಲಾಯಿತು ಮಕ್ಕಳು ಚಟುವಟಿಕೆಯಲ್ಲಿ ಉತ್ಸಾಹದಿಂದ ಭಾಗವಹಿಸಿದರು. ಮಕ್ಕಳು ರಚಿಸಿದ ಕಥೆಗಳು ಅವರ ಕಲ್ಪನಾ ಶಕ್ತಿಯನ್ನು ಬೆಳೆಸಿಕೊಳ್ಳಲು ಸಹಾಯ ಮಾಡುತ್ತವೆ. ಮಕ್ಕಳು ತಮ್ಮ ಆಟಿಕೆಗಳನ್ನು ಬಳಸಿ ಕಥೆಯನ್ನು ಕಟ್ಟಿದ ರೀತಿ ಪ್ರಯೋಗಾತ್ಮಕವಾದದ್ದು. ಈ ಚಟುವಟಿಕೆ ಮಕ್ಕಳ ಸೃಜನಾತ್ಮಕ ಚಿಂತನೆಯನ್ನು ವೃದ್ಧಿಸುತ್ತದೆ.

During teaching Hindi poem Kala Badal students enjoyed making paper boat . They actively shared their experiences on paper boat how they used to float it in rainy season.

SKIP COUNTING

Skip counting activity was conducted to understand how quickly we can count if there are many objects by grouping them. Children enjoyed a lot by drawing pictures to write skip counting numbers. Children used skip counting for basic tasks such as telling time or dealing with money. It lays the mathematical foundation for developing a student's ability towards mathematical skills.

‘Reading is a passport to countless adventures’ by Mary Pope Osborne. We celebrated 28th June to 2nd July as English reading week. The students of Grade 3 were prepared with creative storytelling where the students developed story on the given story line . It was about a wooden box where they heard a sudden a voice calling out for help from it.

The children came up with different imaginative stories of their own. I believe in this quote. ‘Those who do not think out of the box are easily contained’ by Nicolas Manetta. The students were all well prepared and we could see the enthusiasm both in the parents and the students who prepared for the activity very well, they all did a really good job.

I just want to share my thoughts on how corona has changed most of our lives. Corona has made our situation so bad that at times I feel we will not be getting our good old days back like how we used to go out shopping with our family how we spent our festivals by inviting to our house and we going to theirs. Our social life is on hold. Now if we want to talk to our far of family members we use social media to communicate. The positive side is we are able to spend our time with our family. We have started playing and teaching our children the famous olden day's games like hop-scotch, snake and ladder, I Spy, carom, etc. Street food has lost its taste and now we are more health-conscious and are preparing healthy, delicious, and traditional food at home. Due to less human activities animals and birds are less fearful of being attacked by the cruel intention of people. It has taught us that being together with our family healthy and safe is the greatest blessing of all. I request you to be safe and stay healthy at home.

thank
you
