PRINCIPAL'S MESSAGE

Every student can learn, just not in the same way.

Our children are active change-makers who help us create a more conscious and mindful society. They are not just the passive recipients of our continuous efforts.

If we look around, it is evident that children feel and react much more strongly and positively about whatever is happening around them. They question, they challenge, they pull us out of our lethargic stupor that we have let ourselves slip into because of the routine.

An essential part of our children's learning at schools need to be on developing life skills and not just the academics. This is to equip them with critical thinking, analytical skills, problem solving and contribute to the holistic development and thus transforming them into the responsible citizens of tomorrow.

Keeping this objective in mind, we need to give them a platform for expressing their creativity, where they can share their ideas, vision and visualization that alchemize into reality.

Newsletter is one such effort from school.

Note from
the teacher...

Let today be the start of something new.

As we are aware that newsletters have always been an essential part of communication between the students, school and parents.

We would love to create or increase awareness, provide basic information about our school activities and events on a quarterly basis. Our focus is on "Inform", "Remind" and "Connect".

We, the facilitators of Nurture International School, strongly believe that each child is unique and creative in their own ways and we love to be their mentor to set them on the right path.

The main purpose of a class newsletter is to ensure that the stakeholders are informed of the classroom happenings, and having them involved in their child's education. Class newsletters can be as fancy or as simple as you would like. Here are the glimpses of our students' art work, riddles and poems for this edition of the newsletter. Let us recognize and appreciate our students' creativity.

We wish our talented and innovative students the best in their academic session and have enthralling school reminiscence ahead.

SHORT POEM ABOUT LIFE,
LOVE AND THE END

A man stole some money
and fed it blood, salt and
tears.

He grew rich,

∴ He passed the money to his son,
And he passed it to his son,
And so the money traveled
through the generations,
a hungry god
gnawing on the world.

ಮೆಳೆ

ಬೆಳೆಗಳೆ ಮಧ್ಯದಲ್ಲ
 ಲಯವು ಧರಣಿಯೆ
 ಮೆಳೆಯೆಗೆ ಅಂಟಿದೆ
 ಮೆಳೆಯೆ ಎರಡೆರಡು ಬಿಂದು
 ಕೆಳಲ ಕೊಳೆಯೊಂದ
 ಹೊಂದ ಪೆಟ್ಟಿಯೆ
 ಧನ್ಯವೆನು ಬಿಡುಕು
 ಪೆಟ್ಟಿಯೆ ಅದರಲ್ಲಿ ಲಿಂದು!

ಮೆಳೆಯಲಾಗದ ನೆನಪು

ಲಿಖಿಸಲಾಗದ ಒತ್ತೆ ಒತ್ತೆ ಕೆ
 ಕಡಿಯಲಾಗದ ವೆಟ್ಟೆ ಎದ್ದು
 ಸೊಳೆಯಲಾಗದ ಒತ್ತೆ ನೆನಪು
 ಬಿಡಿಸಲಾಗದ ಬಂಧನ ಒತ್ತೆ
 ಮೆಳೆಯಲಾಗದ ನೆನಪು ಸ್ವೀಹು.....

Incident during camping

Once when me and my friends went for a campfire, when we were going by road there were no street-lights except of our car's. It was so scary when we reached our destination. While we were about to build our tents one of our friends Shray we should bring some fruits then I agreed, my friend Diyan just told it will be risky to go inside the jungle as there could be many wild animals, then a sound comes THUD! Then all turned back, and Kevin was running towards us, and he was scared of something.

When I asked him, he told I saw a white shadow and I went near it and put the torch light. Then I saw it was just a white cloth of a tent, then I told it must be someone's who was before us, and they might have left it here.

MORAL OF THE STORY: Our fear is the ghost and ghost are human imagination and everyone are brave by nature.
